Identification Provision proposed in Sub. HB 3

Registered voter possesses any one of the following forms of identification to verify they are a registered voter:

- Drivers' license or current state id
- Copy of current utility bill
- Copy of bank statement
- Government check
- Paycheck
- Other government document that shows name and current address

Voter produces identification at polls → **VOTES**

Voter does not bring identification to the polls → **VOTES** provisionally → Voter produces eligible form of identification within 10 days to verify registration, and vote becomes part of the official tally

Voter does not bring identification to polls, but provides last four digits of Social Security number (SS#) → **VOTES** provisionally

Registered voter **does not** possess any one of the above forms of identification to verify they are a registered voter

Voter provides last four digits of SS# → **VOTES** provisionally (Allowing BOE to verify that SS# matches)

Voter claims **not** to have SS# → Voter signs affirmation, under penalty of perjury, verifying their identity and registration → **VOTES** provisionally
